1. Blue Ox® towing products and accessories are intended to be installed by Blue Ox® Dealers who are familiar with our products and have the equipment and knowledge necessary to do “fit work”. If needed, Blue Ox® Dealers can be found at [www.blueox.com](http://www.blueox.com) or by contacting our Customer Care Department at (402) 385-3051.

Always use the hardware supplied in the hardware kit and existing hardware as specified in the installation instructions.

If the rear of your vehicle looks different than this, please contact us at (402)385-3051.
